HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	The Capitol, North Street, Horsham
DESCRIPTION:	Erection of 2 no. digital totem screens to front of theatre
REFERENCE:	DC/25/0628
RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: See below	
MAIN COMMENTS: The Capitol is a theatre and cinema venue which was originally built as the Ritz cinema in 1936. The building was refurbished and a glass extension added in 2002 – 2003 extending the space whilst retaining its Art Deco frontage. The building has been identified as a locally listed building and is close to the boundary of the Park Terrace Gardens Conservation Area. It would be suggested that advertisements linked to the building's event offering would not be unexpected in this location and would be viewed in the context of the existing glazed extension. It would therefore be considered that the proposal would not result in harm to the appreciation of the locally listed building.
