Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	We share the same access to our property as number 36. This is the only way in and out for our cars and our disabled daughter who is a permanent wheelchair user. We will not oppose the planning application as long as the tradesmen being used do not impede our free access by parking their vehicles in front of their property but instead use the main part of Heydon Way.

Kind regards
