Dear Ms Turner,

Prior Notification DC/25/0830

Whilst recognising that the change of use of a building from agricultural to a dwellinghouse is addressed under Permitted Development Rights, the Parish Council nevertheless wishes to ensure that you are clear about our concerns as we believe this to be the third time this application has been extended.

This application is a repeat of an identical application, previously approved. On that occasion, obtaining permitted development rights became merely a step towards submitting an application for a substantially larger and totally inappropriate housing development, with ancillary features. Our concern is that the same process will be repeated again.

I would be most grateful if you would keep the Parish Council informed of any future development proposals for this site.

Your sincerely,

Sid Garner
Chair, Wiston Parish Council
