Comments:	I own 2 ash cottages and own 85% of this hedge in question. The hedge from our boundary onwards will be staying. We are having it cut back so the footpath is accessible on 15th March 2025. The hedge will be staying on our boundary and onwards as it is a massive security, noise and privacy barrier. Let alone a wildlife habitat. As discussed with the highways team at West Sussex, and as

discussed with George Swallows of Rusper parish council. The hedge is not to be removed or even touched on our boundary. We - the owners of 2 ash cottages will be maintaining this hedge in compliance with West Sussex's advise of the footpath.

Kind regards
