Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	It appears from the plan that the front of the house would look into - and fill the view from - our sitting room and bedroom windows, at ground and first floor level respectively, unless a screening hedge was planted across the front of the plot. There is also the matter of the noise and disruption during building. The plans also suggest that the footprint of the house would

occupy the bulk of the remainder of the plot after excluding the land used for parking.

Kind regards
