Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	Station Road has two schools on our - The Weald secondary and Billingsgurst Primary - with a combined population of approximately two-and-a-half thousand pupils. Each morning and afternoon, as the children go to and from school, Station Road is crammed with cars parking, cars trying to pass, and children and parents stepping off payments. It is a dangerous place for young children, and the addition of the new family-sized homes on Station Road will undoubtedly add to the populations of both

school children and cars, increasing the congestion and making Station Road even less safe for young children.

Kind regards
