Good afternoon Shazia,

Planning reference: DC/24/1134

Thank you for consulting me on the above planning application. The proposed development is not considered to be relevant to the District Licensing Scheme in this case and we consider there would be no likely impact on great crested newts or their habitats. I therefore have no comments to make at this time. If the proposal changes, then please seek further advice from me if necessary.

Kind regards,

Jennie Shea
District Licensing Officer (Great Crested Newts) - West Sussex
