### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	This development is about money over consideration of existing Residents, lack of safety access as single lane roads and no footpaths already cause gridlock. To clear the proposed site without a legal survey should be punished. There are plenty of various Wild Life existing , although being disturbed by the Developers early illegal actions. Councils should back Low Cost affordable housing, but in the right place, to build Luxury Homes in

this small area is going to cause Upper Beeding much more problems.
