Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	I would like to highlight the importance of the Queens Head Pub on Chapel Road to the local community in Barns Green. It is a well-used and welcoming place that many people value as a social hub, particularly for meeting friends and feeling connected to the village. Developments of this scale can sometimes place indirect pressure on existing community facilities, increasing the

risk that they are lost over time. The potential impact on much-loved local amenities, such as The Queens Head Pub, should be taken into account when considering the wider effects of this proposal.
