Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Privacy Light and Noise
Comments:	<p>this distruction of countryside must not be allowed to carry on. all new building should be on brown field sites. the amount of building has nothing to do with housing shortage , there is more than enough housing being built through out the county .</p>

i have not accessed the plans but if access is via church lane or church farm walk this is totally unsuitable.

Kind regards
