Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	We live two doors away from this property and fully support this application. The proposed change of use makes sense; providing a larger residential home whilst retaining the historic exterior of the property. Whilst we have loved having the shop so close, the current owners have had no offer to buy this business as a going concern.

Indeed we do have a second Post Office and shop in the village so we are very fortunate.

Kind regards
