Subject: Planning Application Consultation - DC/25/0616
Categories: Consultations

Good afternoon Amanda,

RE: DC/25/0616

Thank you for consulting me on the above development. The applicant has provided a Precautionary Working Methods Statement (JWK Wildlife Surveys, February 2025), this is deemed suitable for the proposed development and should be secured via condition if you are minded to approve the application.

Kind regards,

Jennie Shea
