Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	My concern is that this property has been developed / extended before and now almost all of the land within the plot will contain buildings. The ratio between garden and house is being significantly reduced and I suspect it will have a negative effect on the area. I am concerned that facilities such as water and

drainage. I believe that the proposed plan will restrict the view of traffic in and out of our cul de sac.

I am also concerned that the pool house will become a residence

---

Kind regards
