Dear sir / madam

With regard to Homes Englands proposed planning to build 3000 homes West of Ifield (number DC/25/1312), my family and I fully object to this proposal.

The Ifield area already regularly suffers incidents of major flooding and a further 3000 - 10000 homes in the area will only add to this burden.

Not to mention the removal of some of the most beautiful land, displacing wildlife including deer, [REDACTED] birds and many smaller species.

I can not sit by and allow this to go ahead without strong objection.

Please reconsider this proposal.

Kind regards
