Comments:	This long term stay proposal is possibly a concern where it leads to an uncertainty/intentions in the future (could lead to longer over time.) It is a very popular area for walkers and nature lovers especially being so close to knepp. This is a vital requirement in today's lifestyle. Perhaps there should be a meeting to discuss a way forward in a positive way. Eg. target nature lovers who want peace and tranquility such as birdwatchers etc. This way the

surrounding area and residents can live without worry or disruption.

Kind regards
