Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other - Privacy Light and Noise - Trees and Landscaping
Comments:	I put in a previous objection and would like to add to it. After discussions with the owner of 16 Gresham place and understanding how the proposed building lies on the plot. We are in agreement on the condition that they raise the fence height to minimum 2.3m from ground level.

This will ensure the top of the windows and doors cannot look into our garden thereby ensuring our privacy at ground level.

Kind regards
