SITE ADDRESS:	4 Fordingbridge Close, Horsham
PROPOSAL:	Fell 1x Birch (Works to Trees in a Conservation Area)
REFERENCE:	CA/25/0064
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection – see main comments	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Birch tree is one of a line of four. It has been reduced by 1m on a previous occasion and has been in a state of decline for a while. There is very little foliage on the tree owing to the advanced dieback. The location of the tree, near the entrance, gives cause for concern as it is a potential hazard due to the decline. The best solution would be to fell the tree to ground level to ensure the area is safe for the owners and public. Therefore, HDNC has **no objection** to this application.
