### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	As a resident of Cowfold I object to this planning application for the following reasons: * The land gradient from the paddock to the road, a single width point of access, is quite steep and likely to affect the driver line of sight when joining the highway. * The visibility splays whilst adequate in one direction are significantly less so in the other. * Egress from the site onto the busy (60 mph), unlit, A281 where

already drivers take foolish risks on the adjacent corner, will increase the likelihood of road traffic accidents and incidents.  
\* Lack of safe pedestrian access to/from Cowfold village to the site.

---

Kind regards
