Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Overdevelopment- Trees and Landscaping
Comments:	Loss of fields means more road flooding. The roads serving Barns Green are not adequate for cars ass. with 62 houses, which means at least one per household. They will be coming out on Chapel Road where road parking already causes problems. This

development together with AshMiles and Sumners Pond is too much for our village, making it less like the ideal village as described.

Kind regards
