Dear Halima

I hope you are well. Please find attached photos as requested.

Please let me know if there is anything else I can help with. Could you also let us know if you think there is some element that needs to be amended in our drawings for a favorable decision? I would like to know as we would not want to get a rejection kindly.

I look forward to hearing from you,

Kind regards,
Fiza

Green Arbour, Rectory Road, Storrington,

Erection of a rear extension with a garage conversion, including installing a staircase for first-floor access. Erection of first floor extension to increase internal space and make internal adjustments.

I refer to the above planning application.

Please kindly provide site photos showing the northern neighbouring property's rear (west) elevation and rear garden area.

I would be grateful if the requested information could be provided by 20th September 2024.

Kind regards
