Good afternoon Alice,

Planning reference: DC/24/1564

Thank you for consulting me on the above planning application. The type of development is not considered to be relevant to the District Licensing Scheme as in a retrospective application, any and all works that have the potential to impact great crested newts have already occured. I therefore have no comments to make at this time. If the proposal changes, then please seek further advice from me if necessary.

Kind regards,

Jennie Shea
District Licensing Officer (Great Crested Newts) - West Sussex
