Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	The area in the proposal includes ancient woodland essential to local wildlife. There are a variety of public rights of way which could be disturbed by construction. Upper Beeding does not need more luxury, detached houses, it needs affordable 2-3 bed starter homes, if you are to build anything, it should be these and should be on a brownfield site of which there is plenty of potential plots in the area.

Kind regards
