Comments:	My sister and her family live [redacted] on Coolham Road. They have recently been informed that the owner of Nightingale Farm's glampsite is yet again submitting an application. This time he wants a varation of condition 9 to extend the length of stay at the site, which is currently 4 weeks. What he's asking for seems confusing and without any real proposal. He doesn't specify how long he wants that extension to be which leads me to believe there is a hidden agenda here, in that he wants a permanent site. Over the last few years, these numerous and continued applications have caused my sister and her family tremendous upset. The site owner lives in Hampshire and clearly has no concerns about the effects on neighbouring residents.

I would therefore ask the Council to reject this application and leave my sister and her family, plus all the other affected residents, in peace.

Kind regards
