Reasons for comment: - Design
- Overdevelopment
- Privacy Light and Noise

Comments: Theres no need for this development.
It will cause more unrest in the local community, with more works going on next to a public footpath. Turning what was a peaceful walk, into a glorified allyway around houses.

The noise, the effect on nature and the general disruption for those nearby would not be worth it (unless theyve paid them all off, which i couldnt imagine).

Planning permission was rejected before. Likewise was rejected for the doggy day care. There is just no need for this.

Kind regards
