Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The position of this property is very precarious as it is at a major junction as you go out of Southwater towards Horsham,, which is very busy and the amount of traffic that this development would create would have a significant effect on the residence of Southwater. I feel it is totally unsuitable. A couple of executive homes with land would be ideal.

Kind regards
