DC/24/0426|Application to confirm the siting of shipping containers used for B8 Storage and Distribution and Laying of hardstanding for a period in excess of ten years (Lawful Development Certificate - Existing).|Land at 514777 135669 Marches Road Warnham West Sussex

Dear Sirs

I am writing to correct one point of my planning statement in relation to a reference I made on page 3 under the heading New Evidence.

She goes on to set out very clearly at Point 8 & 9 that the use of the site as a caravan site and collaborates the evidence submissions of Tina Cook and Robert Rickerd who speak to this use.

The amendment calls for the removal of 'and Robert Rickerd'

Mr Rickerd spoke only to the storage use and not to the siting of a caravan or for the use of the land for human habitation.

Thank you.
