### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li></ul>
Comments:	<p>I object to this application and ask that it is rejected.</p> <p>West End Lane is already too busy with traffic and the access to the site is neither safe nor convenient, in contravention of policy 23.</p> <p>Furthermore, the site is not in the Local Plan or the</p>

Neighbourhood Plan as a strategic site. It does not adjoin or sit within the existing built up area. It therefore contravenes policies 1 to 4.

Finally the site will be detrimental to the local environment and is out of keeping with neighbouring dwellings (policies 25, 31, 33).

This proposal overburdens Henfield, which already has more than its fair share of travellers sites relative to other locations.
