Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	6 Angus Close, Horsham
PROPOSAL:	Erection of a single storey front and rear extension with internal and roof alterations.
REFERENCE:	DC/24/0910
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council objects to this application (See main comments).	
MAIN COMMENTS: Horsham Denne NC has the following concerns: 1) The skylight on the proposed rear extension could cause light pollution to neighbouring properties as the building extends out further into the garden beyond the line of the adjacent buildings. 2) HDNC is concerned that the proposed rear extension could block day light for the neighbouring properties. 3) HDNC regards this proposal as overdevelopment, which enlarges the property significantly and will result in the loss a small family dwelling, which are in short supply in this area. Therefore HDNC **objects** to this application.
