Comments:	The amendment to open the Road on Carter Drive. Is dangerous. Looks like HDC has made the suggestion to the Developer to amend this. Without looking at the compliance and the risk for the children to walk to school . Has any of the members of the HDC have driven on this road ? Has any consideration on already very

tight roads for Emergency Services ? this road was not designed to take any traffic as initial plan was a dead end not through traffic .. now they have decided to open this road ... I am starting a campaign and I have obtained lots of support from residents also we are thinking to take this to the social media as we are not completely sure of the transparency of the Council on this matters

Kind regards
