Stance: Customer made comments in support of the Planning Application

---

Reasons for comment: - Other

---

Comments: I am happy to support this application. The change of use is a very sensible proposition. The availability of holiday units in the area is already well catered for with Sumners Ponds and the new development by Mr Wenman adjacent to Hilltop Park. There is a demand in the area for fully residential units and since the last remaining pitch at Oaklands Park being occupied there is no longer an availability currently in the area.

---

Kind regards
