| **SUMMARY OF COMMENTS & RECOMMENDATION: The proposed boundary fence will harm the setting of the listed building.** | |
| **MAIN COMMENTS:**<br><br>Dear Jacques,<br><br>The proposed replacement boundary fence is not appropriate in this context. The design of the fence is reminiscent of suburban boundary treatment and dilutes the context of this historic farmstead. I would support a design that better reflects a traditional boundary treatment. I suggest the existing historic boundary walls around the site can be used as a template for any new sturctures.<br><br>Regards,<br>Seán | |
