Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	On behalf of the Haven Society, our committee has considered the application and have no objection in principle, but note that there does not appear to be sufficient information to be able to determine the relative size of the new area vs the existing building. We also note that the "link" is actually a kitchen and a bedroom.

Kind regards
