Thank you for your consultation on the above site, received on 07/01/2026. We have reviewed the application as submitted and wish to make the following comments.

This is a retrospective Full Application for the conversion of existing manor house into 14 no. residential units.

As stated in the Planning, Design and Access Statement provided by the Applicant, there are no external alterations proposed. Therefore we are satisfied that there is no demonstrable increase in flood risk at this location and we have **no objection** to the proposal as submitted.
