### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Other</li><li>- Overdevelopment</li></ul>
Comments:	The village is already over populated and struggling with utilities such as broadband, power and the removal of waste (sewage). More housing will put a greater demand on the utilities, not to mention additional damage to the road network. People currently

travel to the village to use the local pub for the atmosphere and personal service. Further development is risking over population of the village with no infrastructure to support it.
