Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Privacy Light and Noise
Comments:	This is totally detrimental to the area, not sympathetic to surrounding properties, there are already enough areas for these sites in the area. It would bring absolutely no benefit to the community, in fact totally the opposite,

Kind regards
