Foul and Surface Water Statement

March 2024

Introduction

This statement is submitted in support of a Householder planning application for the addition of a garden room extension alongside a porch and ensuite shower room extension to a dwelling.

Foul Drainage/Sewage

To remain as existing with the addition of 1 new manhole to allow for the new soil vent pipe in the ensuite shower room. All connected to existing drainage system.

Surface Water Drainage

As existing all surface water from roof will be directed into the existing surface water drainage system.
All new paved surfaces will use permeable materials
