RE: DC/24/0525 & DC/24/0526 Bakers End, Park Street, Slinfold

Friday 24/05/2024

Morning Steve,

I am now content the flue encased in a brick sleeve is an acceptable addition to the previously consented extension. I am also content the additional information regarding the dormer construction and fenestration details are also acceptable. Please carry on.

Regards,
Seán
