Good afternoon,

I am writing to object the housing plan ref DC/25/1312.

I live at 12 Ellis Walk, RH11 0GF, this is a small housing estate on rusper road opposite the golf course. Our residence falls within Horsham boundary and we pay Horsham council tax so I really struggle to understand how we can be blocked off from our direct access to Horsham through the closure of Rusper road. We will be forced to travel through Crawley to access Horsham, Ifield West is already a cul de sac with a traffic bottleneck on Hyde drive. Roadworks are common place with frequent temporary traffic lights. The rusper road closure will add further congestion which at the time of school runs is already incredibly busy.

[REDACTED] The catchment schools for this area are Horsham schools with Rusper primary being the primary catchment is absolutely ridiculous that our access route will be blocked!

Whilst my biggest concern is access and traffic congestion I am also concerned by the noise disturbance, disruption to our daily lives and commutes. Distraction of the beautiful landscape around us where we frequently walk and the loss of the golf course where my husband and children play.

Kind regards
