This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC in its role as Local Highway Authority (LHA) has been reconsulted for the above application, following the applicant's submission of updated application documents. The LHA previously provided comment on this application, dated 14/05/2024, raising no highway safety concerns.

From inspection of the updated application documents, the updates appear minor and no further comment would currently be warranted from a highway safety point of view. The LHAs previous consultation response, dated 14/05/2024, is still considered valid and can be referred to in regards to the latest submission of application documents.
