Reasons for comment:	
Comments:	The hedge on our side of the property is not to be cut / removed or damaged. This is our hedge and we have this maintained by a local tree surgeon. The hedge will be cut back on 15th March to keep the footpath the other side of the hedge accessible. As discussed with Liam Nally of West Sussex council and Rusper parish council. If 1 ash cottage decided to remove the hedge on their side of the property we insist that we are spoken to before hand so we can be sure the exact position of the property boundary as we do not wish for our side to be touched / cut / damaged or destroyed by no

1 ash cottages . We at 2 ash cottages own 85-90% of this hedgerow. So need to be consulted first and foremost.

Kind regards
