Comments:	<p>My father was a member of Ifield Golf Course for almost seventy years. He passed away in 1999. He wanted his ashes to be scattered on the golf course which I did and then when my Mother passed away in 2003 she too had her ashes scattered on the golf course. The thought of the spot where their ashes were scattered being covered in concrete appalls me! I first joined the Artisan section in 1962 so I too to have a long history with the club.</p> <p>The loss of trees, general landscaping and access will all be detrimental to the area. I FIRMLY OBJECT TO THE PROPOSAL.</p>

Kind regards
