HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Sheepwash Farm, Copsale Road, Maplehurst
DESCRIPTION:	Installation of electric vehicle charging point
REFERENCE:	DC/26/1436
RECOMMENDATION:	~~Advice~~ / No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION:	
MAIN COMMENTS: The proposed charger would be sited on a modern addition to the building. It's location although on the front elevation would not be overly prominent due to the design of the charger, and the use of discrete wiring into the mains terminal. It would also not be sited on vulnerable historic fabric. It therefore would be considered that although the charger would be visible it would not be so visually harmful as to detract from the buildings special interest.
