Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	I write on behalf of Rudgwick Preservation Society. I have read the officers' report on this application, and I am aware it is going to be considered by committee next week. The report gives short shrift to the comments of all objectors other than Rudgwick Parish Council. It does not mention the views of my society, laid out in a detailed submission, nor those of neighbours.

Three members of my society will be speaking against this application at committee. Their views should have been better represented in the report. I hope this late submission can be communicated to the committee.

Kind regards
