Comments:

I firmly object to these plans this is directly opposite our house, which we purchased due to the lovely countryside surrounding. We have seen many different species of bird and deer in that field and thats now going to be destroyed. To add to matters, hayes lane floods all the time, including outside our house, the whole road needs a new layout as it isnt big enough for more vehicles going down it. What happened to keeping a village a village. Also being opposite our house means regular onlookers and light on a quite lane.

Kind regards
