Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	There is very limited parking in the Village and an office space for 6 desks/people and whoever uses the shop below will put immense pressure on current parking issues in the immediate and surrounding roads. Design is sympathetic to the area but as stated above there is no parking whatsoever allocated to this location.

Kind regards
