Dear Jason

I profoundly object to the planning application to close and develop on Ifield golf Course.

This is a beautiful piece of land and a very popular golf club.

The alternative golf courses in the area are as follows:

Tilgate - No comparison a poorly run and not very popular public course in very poor condition

Copthorne- Has full membership

Horsham Golf and fitness- Permission to close granted I understand

Cottesmore-Full membership

Mannings Heath-Full Membership

Rookwood- A popular and well used public course.

If Ifield was to close over 600 golfers would be out of a club with no other viable choice in the area to go to.

It is clear this club is required and needed for the local area.

Kind regards
