CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	18 West Street, Horsham
PROPOSAL:	Redecoration of timber shop front and bay window and installation of fascia board.
REFERENCE:	DC/25/0089
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: See main comments	
MAIN COMMENTS: Horsham Denne Neighbourhood Council notes that the painting of the first-floor window frame has already been carried out and we would have objected as we are concerned that if brightly coloured window frames are allowed it will change the overall character of the conservation area. HDNC would have had no objection to a neutral colour.
