Reasons for comment:

Comments: Leonardslee Gardens is an asset to the district and everything they have done has been done tastefully. The engine house cafe is quite a walk from the main building but certainly a worthwhile visit as it is in the centre of the valley by the lakes. The only problem is enjoying a coffee without any toilet facilities and a steep walk up the hill to the nearest toilet. I know that so many of the visitors feel the same as I do on this subject

Kind regards
