Address:	34 Undermill road Upper beading

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	Having lived in the area my whole life this looks like a great application to get rid of a very rundown tired house with fast amounts of land and turn it into several family homes for the local area. I highly support this as would the younger generation who needs a place to live would also.

Kind regards
