1. Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.

My only knowledge of the Site was when my neighbour asked if I had any objection to a swimming pool. I had no objection.

2. Do you know who operates from the site or lives there? If so who?

Greg and his wife - children I presume their surname is Ballard

3. Are you aware of the Activity described above and if so from when.
How would you describe what goes on or what is there?
What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?

I have no idea whether the pool exists or not
I have had no disturbance or noise
I am very happy to allow the use of the pool.
It does not affect my wife or I in any way

P.T.O.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

The house out of sight from the road, seems ideal for the site intended
